M B Tupare Junior College, Kolhapur	Jun 2019 – May 2021
HSC (Class XII)	70.40%

P V P Vidyalay, Kolhapur	Jun 2018 – May 2019
SSC (Class X)	86.20%

Relevant Coursework

Database Management Systems, Object-Oriented Programming, Data Structures, Operating Systems, Frontend Frameworks

Experience

Power Platform Intern	Aug 2024 – Jul 2025
FZE Digityze Solutions, Pune	

- Developed custom business applications using Microsoft Power Apps to enhance user experience.
- Automated workflows using Power Automate, reducing manual tasks and improving efficiency.
- Integrated Microsoft 365 and SharePoint to enable centralized data management and collaboration.

Technical Skills

Languages: Java, Python, JavaScript, HTML, CSS

Frontend: React.js, Tailwind CSS

Backend: Node.js, Express.js

Databases: MySQL, MongoDB

Developer Tools: Git, GitHub, VS Code, Power Apps, Power Automate

Projects

TripZip – Travel and Booking Website

HTML, CSS, JavaScript

- Developed a travel and booking website to help users explore destinations and plan trips.
- Designed a responsive frontend with intuitive navigation and smooth user experience.
- Implemented search and filter features for destinations, accommodations, and travel packages.

E-Commerce Web Application

React.js, Tailwind CSS, Node.js, Express.js, MongoDB

- Built a full-stack e-commerce platform enabling product browsing, cart management, and order placement.
- Designed a modern, responsive UI using React and Tailwind CSS.
- Implemented JWT-based authentication for secure login and order history access.
- Developed RESTful APIs for product, cart, and order management with MongoDB integration.

Notes Management Web Application

React.js, Tailwind CSS, Node.js, Express.js, MongoDB

- Developed a notes management application supporting full CRUD operations.
- Built a clean UI inspired by Google Keep using React and Tailwind CSS.
- Implemented secure backend APIs with validation, error handling, and soft-delete functionality.
